LIU Project *Plus*

A unique offering not found elsewhere, LIU Project Plus can address the complex insurance needs of multiphase construction projects—from component delivery to project completion to initial operation. It combines seamless coverage and the specialized strengths of LIU people and products to address each project's unique risks.

Project Plus—the Advantages

- Combined Strength of Vast Experiences. A team of underwriters and risk engineers from each LIU product line work collaboratively to examine your risks, and tailor a product that meets your needs.
- Seamless Coverage. Our team approach simplifies the insurance process and eliminates redundancies. It can also alleviate coverage gaps traditionally encountered when you have separate Marine, Construction and Operational placements.
- Streamlined Claims-Handling. Work with LIU's claims representatives throughout the life of your project—all of whom are experienced in handling complex claims issues such as delay in start up exposures.

Project Plus—Why Choose LIU

LIU is a global specialty lines provider, which conducts business in offices throughout North and South America, Europe and Asia Pacific. A relationship with LIU offers:

- Dedicated marine risk engineering/surveying
- Dedicated construction and operational risk engineering
- Worldwide claims and subrogation network
- Worldwide underwriting resources/experience
- Best practice sharing
- Financial security of Liberty Mutual Insurance

Liberty International Underwriters

Liberty International Underwriters is the marketing name for the broker-distributed specialty lines business operations of Liberty Mutual Insurance. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. This literature is a summary only and does not include all terms, conditions, or exclusions of the coverage described. Please refer to the actual policy issued for complete details of coverage and exclusions.
