

LIU Exploration and Production

Liberty International Underwriters (LIU) provides insurance coverage for exploration and production (E&P) companies around the world. Our extensive underwriting experience in this highly specialized market – backed by responsive and reliable service from an in-house engineering team – helps LIU address the specific needs of independent E&P companies and the complex, large-scale risks of major energy companies.

Underwriting Focus

LIU provides comprehensive insurance coverage to meet our clients' diverse needs. We offer protection to upstream operators and non-operators located both onshore and offshore. Coverage can include customized protection against operational exposures, as well as catastrophic events, including U.S. Named Windstorm.

Coverages include:

- Physical Damage
- Well Control/Extra Expense
- Business Interruption/Loss Of Production
- Builders Risk/Construction
- Liabilities

Why Choose LIU?

At LIU, our E&P underwriters, risk engineers and claims managers work in a fully-integrated unit dedicated to your business. Working with LIU, you get:

- Collaborative solutions from a respected industry leader, geographically located alongside our clients to meet their needs
- Underwriters who understand this highly specialized market and have extensive experience insuring E&P risks
- On-staff risk engineers who are veterans of the offshore E&P industry, and provide unmatched technical insight
- Experienced claims professionals
- Capacity of \$75MM

At LIU, our knowledge and experience allows us to differentiate risk and offer alternative insurance solutions. It's what helps distinguish us as a proven leader in a highly competitive and demanding global environment.

We encourage you and your clients to take full advantage of our technical expertise and understanding of the E&P industry.

Additional Services

We also offer multi-line coverage in tandem with other LIU product lines, such as onshore oil and gas, power generation, marine liabilities, cargo, engineering, casualty, environmental and specialty casualty products such as directors and officers, crime, and fiduciary liability.

Liberty International Underwriters is the marketing name for the broker-distributed specialty lines business operations of Liberty Mutual Insurance. Certain coverage may be provided by a surplus lines insurer. Surplus lines insurers do not generally participate in state guaranty funds and insureds are therefore not protected by such funds. This literature is a summary only and does not include all terms, conditions, or exclusions of the coverage described. Please refer to the actual policy issued for complete details of coverage and exclusions.
